Undergraduate Supplemental Application for Admission and Scholarships

Required for all applicants who completed the *South Dakota Public Higher Education Undergraduate Application for Admission* and applied to the School of Mines.

The Supplemental Application is utilized by the School of Mines in making admission decisions for all entering students as well as selecting freshman scholarship recipients. To be considered for scholarships you must have completed both the Application for Admission and the Supplemental Application and submitted no later than February 1 prior to the fall you plan to attend the School of Mines.

If you have not already completed the *South Dakota Public Higher Education Undergraduate Application for Admission*, and plan to apply only to the School of Mines, please apply directly by downloading the School of Mines application at <http://sdmines.sdsmt.edu/apply>.
